Dear Miss Heartwell:

Re: Proposed Increment 201  
to the City of Long Beach

At the meeting held August 18, 1965, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Atlee S. Arnold with his letter filed August 2 for the proposed annexation of territory to the City of Long Beach.

At the request of Mr. J. Williams, the boundaries were revised to include that portion lying northerly of Carson Street and westerly of the Long Beach Freeway. The boundaries submitted conform with record lines, lines of ownership and arbitrary lines. No island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,
